## Profile Summary

Motivated Computer Science student specializing in Software Engineering with a strong passion for full-stack web and mobile application development. Experienced in building real-world projects from both front-end and back-end perspectives. Eager to apply problem-solving, teamwork, and technical skills to contribute to impactful software solutions during an internship.

## Professional Skill

- Back-End Development (Laravel, Node.js, MySQL)
- Front-End Development (HTML, CSS, Tailwind CSS, JavaScript, React JS, Next JS, Flutter)
- UI/UX Design & Prototyping (Figma, Photoshop)
- Version Control & Collaboration (Git, GitHub)
- OOP Concept (Java, Dart, C++)

## Relevant Skill

- Problem Solving
- Communication
- Adaptability
- Strong Teamwork
- Fluent in English

## Education

### Cambodia Academy Of Digital Technology

Bachelor Degree of Computer Science, Specialize in Software Engineering

2024 - Present

### Hunsen Serey Pheap Highschool

Completed Cambodia's National Exam with grade A (99.573)

2017 - 2023

## Experience

### ACET Conference Management Website

- Developed a web-based platform to manage conference, paper submission, and participant tracking
- Implemented a **Laravel + Inertia.js + React** stack for fast development.
- Collaborated with teammates using **GitHub** for efficient project delivery.

### Full-Stack Real estate agency website

- Designed and developed a web platform for property listing
- Built the system using **Node, Express JS** for the backend and **React JS** for the frontend.
- Focused on user experience, search functionality, and property listing.

## Volunteer Experience

### Next Gen Engagement Program Batch II

- Taught freshman students the fundamentals of web design using Figma, HTML, CSS, and Tailwind CSS during a 1-month program (August 4th – September 8th).
- Collaborated with mentors and advisors on the ACET Conference Management System project, focusing on both design and development aspects.

### CADT Student Association (CSA)

- Developed the CSA Social Media Link website as a responsive site to promote the social media platforms.
